DELFINES BEACH

EXPLORE THE UNSEEN

DELFINES BEACH

Cancun's most renowned beach, for its impeccable white sand, crystal clear turquoise sea and 200 meters of space, perfect for water activities such as surfing for its moderate waves

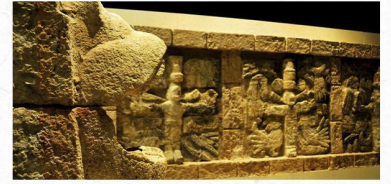

EL REY RUINS

The most extensive Mayan archaeological site on the Caribbean island, approximately 300 years A.D., property of an ancient pre-Hispanic king

MAYAN MUSEUM

The most important museum in the city for its significant Mayan works and collections from the state of Quintana Roo, Chichen Itza, Palenque & others

H ROOF NIGHTCLUB

Private club that is at the vanguard of the nightlife scene. Its elegant design allows guests to immerse themselves in an intimate and electrifying atmosphere perfectly balanced with live DJ sessions

UNDERWATER MUSEUM

Major aquatic attraction in Mexico's Caribbean paradise, with a collection of approximately 400 ecological sculptures submerged in the sea, surrounded by marine flora and fauna

LA ISLA SHOPPING MALL

The most recognizable and popular shopping mall in the hotel zone, with more than 200 stores, restaurants and international entertainment attractions, spread throughout its architecture and unique design of water canals

CHAC-MOOL BEACH

Spectacular Mexican Caribbean tourist beach surrounded by a party zone and just a few meters away from Mayan Monkey, ideal for spring break season for its lively atmosphere

PARTY CENTER

Incomparable location of beach clubs and party nightlife, filled with a great variety of Cancun's most famous bars and nightclubs
